Ms. Pinkney, I need your assistance in this matter. The current status application 09/309,879. On June 26, 2007 I was granted a "Notice of Allowance", payment of \$700.00 was sent on 8-3-2007. A Letter was never received at this address (112 Crestpoint CT, Cary, NC 27513) sent out on 07/18/2007. I did receive a letter from publications dept. on 10-26-07 "Notice Of Abandonment" due to not responding in timely manner of the 7-18-07 letter from publications. The address sent to publications was incorrect. I contacted the IAC (inventor assistance center) The IAC recommended to have you make the address correction since this was "improperly abandonment" and to re-send the form so that I can make the necessary corrections. Otherwise, I will have to file a "Notice of Revival". Please allow a reconsideration.. If possible we could do this by fax to speed this up. The examiner Max Noori was a great help but, it is out of his hands and unable to help.

I have call several times with the reference number giving to me for the status inquires since the notice of allowance on 6-26-07. I was assured everything was fine with publications and was on track without any red flag indications. I would appreciate your help with this problem. Any questions please contact the numbers or address below.

Thank you,

Anthony Nugent
